Testimonial for Stephen L France

To Whom It May Concern

As a director of Smiths Gore (BVI) Limited, a real estate firm operating in the British Virgin Islands, I am pleased to write this letter of recommendation for Stephen L France, the Editor In Chief of aLookingGlass which publishes the BVI Property Guide.

I have worked with Stephen for several years in relation to editorial articles relating to various real estate sectors in the BVI. Stephen would typically provide a summary of the areas of real estate he would like to have covered for different editions of the magazine, and we would provide the editorial.

As a firm, we also advertise in the BVI Property Magazine and we would have to liaise with Stephen regarding all aspects of advertising.

At all times, Stephen has acted in a very professional manner and has been a pleasure to work with. I wish him well in any future endeavours.

Yours faithfully

Edward Childs
